### **JOB OBJECTIVE:**

I have spent a lifetime developing my artistic abilities and I am extremely talented as a visual designer. It is my goal to acquire a position as a graphics designer, which will allow me the opportunity to utilize my artistic abilities that includes multiple areas of technology. As a graphics designer it is my goal to work in an environment that allows me to create powerful designs using intuitive vector illustration and page layout tools. I am pursuing a position that includes creating illustrations, logos, brochures, newsletters, flyers, signs, web images and more.

### **QUALIFICATIONS:**

Most importantly, I am a creative artist who is proficient at pen & ink, watercolors, acrylics and several additional mediums. I have a talent for design and creativity.

I am proficient and I have a demonstrated talent in the design arena including Photoshop, Illustrator, Web design and Flash.

### **WORK EXPERIENCE:**

I have successfully worked as a "free-lance" designer for many clients that has included web designs as well as corporate posters. I have redesigned a colleges catalog cover, web design and all signage, which is currently in process.

I have also worked with Ruth Anderson for 2 years as my art director on many projects.

Clients include:

**Sharon Amaroso** the product website for eti-kits <http://www.eti-kits.com/products.htm>

**The Multimedia web site for Diablo Valley College** <http://www.dvcmultimedia.net/web.html>

**Disabled Life Products** website and logo : <http://www.storesonlinepro.com/store/254302>

**Slumpknock Productions:** logo design

**Turning Green Again** :logo design **Pacific Kids** :logo design **Safari Massage** :logo redesign

**Perspective Fine Art** :website design **Dechin Lama Luna** :banner design **Saundra Jones** :complete branding

**The Brass Door Restaurant:** print projects, flyers and collateral

I have a long standing as a performer that includes art as a magician and comedy commercials on a radio station.

My formal training includes:

- Proficient on both Macs and PCs, program experience in Flash, Dreamweaver, (html) and (java script)
- Image Ready, Adobe Premier, Pro tools, Peak, Photoshop, Illustrator, Maya/ Alias, In Design, and Power point.

\* Specializing in freehand art with medium including but not limited to watercolor, Acrylics, oils, ink, graphite, charcoal, sculpture and crafts and amateur photography.

### **EDUCATION AND CERTIFICATES:**

**Diablo Valley College Multimedia Certificates: 2002- 2008**
